September 25 2025

Dear Pueblo Pintado Community School Families and Students,

Welcome back to a new and exciting school year with us as you begin a journey of learning and discovery here at Pueblo Pintado Community School. We're thrilled to see your smiling faces fill our halls. This academic year, we will strive to empower our students to become confident, compassionate, and successful individuals. At the Bureau of Indian Education, we are committed to providing a comprehensive educational experience. We believe a strong partnership between home and school is essential for achieving this goal.

Our Strategic Direction focuses on creating a culturally relevant and academically rigorous environment where every student can thrive. This year, we will continue to build on this foundation, ensuring that our students are challenged academically and supported in their personal and social development.

We have many exciting programs and activities planned to allow our students to explore new interests, develop their skills, and have fun along the way. From athletics to presenting our community as Pueblo Pintado Princess, there will be something for everyone to enjoy and learn from.

Our dedicated staff are here to support each student on their journey, and we are excited to spend this year together, learning and growing as a community. We believe that every student has the potential to achieve great things, and we are here to help them every step of the way.

Thank you for being a part of Pueblo Pintado Community School. We look forward to a fantastic year ahead, filled with learning, laughter, and memorable experiences. Go Hornets!

Warm regards,

Nina Begay, NBCT  
Principal
